Preparing For The Upcoming Election Season

Two Board Of Supervisor Seats Will Be Open

By Bill Young
RSA President

Happy July, everyone! I hope this message finds you in good spirits. Can you believe we're already halfway through the year? Time truly flies! It feels like yesterday when we were wrapping up the previous election season and eagerly looking forward to a well-deserved break. However, that break seemed to pass in the blink of an eye, as the new election season is rapidly approaching.

The upcoming election season holds significant importance for RSA and its members. In this election cycle, RSA will participate in two open Board of Supervisor seats: Kevin Jeffries and Chuck Washington. Supervisor Jeffries has decided not to seek re-election, and RSA has endorsed Retired Major General and current California State Senator Richard Roth for this seat. Supervisor Washington will be running for re-election, and RSA has decided to support his re-election bid.

We proudly endorse retired Major General and current California State Senator Richard Roth in the open First District. With an impressive background of service in the United States Air Force and the California State Senate, Retired General Roth brings over 30 years of experience in labor and employment law to the table. His long-standing partnership

" We proudly endorse retired Major General and current California State Senator Richard Roth in the open First District. "

with RSA has been invaluable, and he has consistently maintained an open-door policy with us and has valued our input and opinion. General Roth has demonstrated his commitment to listening to our concerns and respecting our information and ideas. This willingness to engage in constructive dialogue has strengthened our trust in him. As we look ahead to his potential election, RSA eagerly anticipates continuing this positive relationship, confident that our collaboration will thrive under his leadership.

With an ongoing commitment to addressing various races and issues, RSA remains dedicated to advocating for your interests. We monitor the political landscape daily, ensuring your voice finds a powerful platform. However, we acknowledge the growing challenges in this endeavor as influential individuals with significant financial resources continue to back groups with

anti-cop sentiments, seeking to disrupt our already chaotic world further. Despite these obstacles, I strongly urge all our members to increase their involvement. Even a small gesture, such as donating more to the RSA Political Action Committee (PAC), can significantly impact our political reach. We understand that this request entails a lot, but it is a pivotal area that can safeguard your well-being at work and at home. Together, we can forge a more equitable and secure future.

I contribute five extra dollars each pay period to support the PAC's efforts. Additionally, I urge every member to skip just one cup of coffee or energy drink per month and donate that amount to the RSA PAC. If everyone can contribute at least ten dollars more monthly, together, we can effectively hold accountable those politicians who persistently jeopardize the safety of our Country and State.

MEMBERSHIP EVENTS

Embracing the spirit of camaraderie and collaboration, RSA eagerly participated in the 2nd Annual Float Down, an exceptional membership event where we had the pleasure of uniting with our esteemed CRS Members and neighboring Law Enforcement agencies. The captivating Float Down took place on the scenic Colorado River, drawing nearly 100 law enforcement officers and their families together. To make this event even more memorable, the RSA Rollin' Smokehouse & Chow Shack graciously catered delicious food for all attendees, including the dedicated staff who worked tirelessly during the festivities. It was a heartwarming occasion that fostered stronger bonds within the law enforcement community and left everyone with unforgettable memories.

I extend my heartfelt gratitude to the Blythe Station River Patrol, Blythe Police Department, and the US Border Patrol for their dedicated efforts in patrolling the area while we peacefully floated downstream, ensuring the safety and security of all participants. If you haven't had the chance to experience this remarkable event, I highly recommend marking your calendar for next year's 3rd Annual Float Down—it's an opportunity not to be missed. I want to sincerely thank the Blythe area law enforcement for their exceptional generosity in donating to the Riverside County Deputy Sheriff Relief Foundation after the Float Down. Their support for such a worthy cause is commendable and reflects the strong sense of community that binds us together. Once again, thank you all for making this event enjoyable and a testament to the spirit of cooperation and camaraderie.

I want to express my sincere gratitude and give Blythe Director

Embracing the spirit of camaraderie and collaboration, RSA eagerly participated in the 2nd Annual Float Down, an exceptional membership event where we had the pleasure of uniting with our esteemed CRS Members and neighboring Law Enforcement agencies.

Roxanne Villarreal a resounding shoutout. Her unwavering dedication to the members of the Colorado Station and the surrounding law enforcement community has been the key to the overwhelming success of The Float Down. Her selfless service and commitment to going above and beyond have not gone unnoticed, and on behalf of the entire Membership, I extend our heartfelt thanks to her. Without her invaluable contributions, this event would not have been possible. Thank you, Roxanne, for everything you've done.

If you want to create an unforgettable experience with the Smokehouse & Chow Shack, don't hesitate to contact Juvien Galzote at Juvien@rcdsa.org to make all the necessary arrangements. Remember that the trailer operates on a first-come, first-served basis, so secure your spot early to avoid disappointment. Get ready for a fantastic culinary adventure!

SACRAMENTO

The Assembly and Senate are currently on break for Summer Recess. Before the legislature adjourned, law enforcement secured two significant wins, defeating AB 793 (ban on geofencing and reverse-location warrants) and AB 1463 (restrictions on ALPR). We expect these bills to be revisited next year but are glad we kept them from moving further in this session. Additionally, AB 355 (assault rifle training) passed the Senate Public Safety Committee and inches closer to the Governor's desk. The legislature returns on August 15, when they will have one more month in session. The significant focus for law enforcement will be stopping SB 50 (ban on low-level traffic stops) and SB 94 (parole for LWOP).

Stay safe out there and prioritize the well-being of both you and your partners to ensure a safe return home for everyone. ★

Summer Break 2023

A Brief Summary Of Important Bills

Ryan Sherman
Director,
Government Affairs

The state legislature recessed for their month-long summer break and will return to the Capitol on August 14. At this point in the legislative year, bills that remain alive have passed out of their policy committees and await action in the Appropriations Committees of the Senate or Assembly. If approved after the lawmakers return, the bills will advance to the floor of that body and then return to their house of origin for final approval if amendments had been taken in the opposite house. Upon final adoption by the legislature, the bills are then sent to the governor for his signature or veto.

We've listed a brief summary of some of the more important bills we are working to amend or defeat when the legislature returns next month. The status of each bill, its location, and our position, along with some that were recently defeated, are also listed.

At this point in the legislative year, bills that remain alive have passed out of their policy committees and await action in the Appropriations Committees of the Senate or Assembly.

CRIME/INFORMATION

AB 994 (Jackson) requires law enforcement agencies to falsely identify arrested suspects when posting their mugshots on social media by using whatever names are preferred by the suspects (Gavin Newsom, Mickey Mouse, etc.)

Status: Senate Appropriations - oppose

AB 1028 (McKinnor) eliminates mandated reporting for medical professionals of suspected acts of domestic violence.

Status: Senate Appropriations Committee - oppose

AB 1034 (Wilson) bans use of officer-worn body camera or official or personal cell or camera images in conjunction with facial recognition technology.

Status: Senate Floor - oppose

AB 1310 (McKinnor) allows sentence reduction for inmates convicted of using a firearm in commission of a crime.

Status: Senate Appropriations Committee - oppose

SB 50 (Bradford) seeks to reduce racial profiling of drivers by prohibiting law enforcement traffic stops based on a single non-working light, expired registration or obstructed windshield. We remain opposed to the bill based on the road safety and criminal apprehension benefits these traffic stops provide.

Status: Assembly Appropriations Committee - oppose

SB 14 (Grove) human trafficking of minors elevated to a serious "strike" felony. All five Democrats on the Assembly Public Safety Committee

Continued

rejected it, despite it receiving unanimous, bi-partisan approval in the Senate. The defeat created a media firestorm, forcing the committee to reconsider the bill the very next day. Four of the six democrats then switched their votes, passing the bill.

Status: Assembly Appropriations Committee - support

SB 94 (Cortese) allows parole for first degree murderers convicted with special circumstances and sentenced to LWOP after 25 years. Amended to remove parole eligibility for cop killers and mass murderers serving LWOP.

Status: Assembly Appropriations Committee - oppose

FIREARMS/PEACE OFFICERS

SB 2 (Portantino) significantly expands the list of locations where a ccw holder is prohibited from lawfully carrying. Many peace officers are exempt from these restrictions (but not all). We continue to work with the author and sponsor to secure those exemptions.

Status: Assembly Appropriations Committee - oppose

SB 377 (Skinner) bans peace officers from purchasing off-roster firearms (and then transferring the firearm to someone else) by prohibiting all peace officers from being able to purchase off-roster firearms. Agencies will remain able to purchase off roster.

Status: Assembly Appropriations Committee - oppose

AB 355 (Alanis) authorizes peace officer cadets to be certified in the use of assault weapons as part of their law enforcement academy training.

Status: Senate Appropriations Committee - support

SB 2 (Portantino) significantly expands the list of locations where a ccw holder is prohibited from lawfully carrying. Many peace officers are exempt from these restrictions (but not all). We continue to work with the author and sponsor to secure those exemptions.

AB 733 (Fong) prevents law enforcement agencies from selling surplus firearms to the public by prohibiting those agencies from selling surplus firearms to anyone - including their own peace officers. A recent amendment permits a retired/retiring officer to purchase, but not active or reserve peace officers.

Status: Senate Appropriations Committee - oppose

AB 1486 (Jones-Sawyer) classifies tactical rifles as “military equipment” and requires a public meeting and local government vote for each purchase approval.

Status: Senate Floor - oppose

JAIL OPERATIONS

SB 519 (Atkins) As introduced, it permits counties to remove jail operations from the jurisdiction of the county sheriff. As amended, it creates the independent Office of the Local Detention Monitor within the Board of State & Community Correction (BSCC) to be responsible for oversight of conditions in local detention facilities relating to in-custody deaths and the delivery of medical and mental health care. The Local Detention Monitor shall initiate an audit or review of poli-

cies, practices, and procedures of the local detention facility when asked by the Governor, the Senate Committee on Rules, the Speaker of the Assembly, or a board of supervisors by resolution.

Status: Assembly Appropriations Committee

AB 280 (Holden) bans solitary confinement for anyone under 26 or over 59 and for persons with a mental health condition or physical disability. Inmates who don't fit into those classifications are eligible for solitary, but for no longer than 15 consecutive days, without exception. Governor Newsom vetoed this same bill last year.

Status: Assembly Appropriations Committee - oppose

AB 958 (Santiago) creates a legal right for state and county inmates to have visitors and for visitors to meet with inmates, regardless of inmate behavior or even Departments that deny visits are subject to civil liability for violating this new right.

Status: Senate Appropriations Committee - oppose

Continued

DEAD FOR THE YEAR - OPPOSED

AB 793 (Bonta) seeks to protect persons coming to California for abortion or transgender medical care by preventing their location information from being shared with the law enforcement agencies in their home state where leaving their state for such purposes may violate that state's laws. However, the bill prohibits reverse demand warrants in all cases. We asked for an amendment to limit the reverse demand restrictions in the bill to abortion and health care, thereby permitting the status quo for law enforcement's ability to continue to use this effective investigatory tool.

Status: Senate Judiciary Committee - oppose

AB 1463 (Lowenthal) severely restricts the ability of local law enforcement to access and retain automated license plate reader (ALPR) records for use in future criminal investigations.

Status: Senate Judiciary Committee - oppose

SB 252 (Gonzalez) requires CalPERS to divest from fossil fuels, potentially harming the pension fund. A number of amends were taken to prevent or mitigate financial losses that may be caused by the proposed divestment. Potential long term harm caused by banning investment in this sector would remain and any losses would be unrecoverable under this bill.

Status: Assembly PERS Committee - oppose

SB 226 (Alvarado-Gil) carrying a gun with fentanyl classified as a felony, similar to current law prohibiting carrying a firearm while in possession of heroin and other narcotics.

Status: Assembly Public Safety Committee- support

SB 268 (Alvarado-Gil) would classify rape of an unconscious woman a violent felony and eligible for longer sentencing, instead of early prison release.

CA Supreme Court Finds No Immunity for Police Investigations

Immunity for Prosecutions Remains

Muna Busailah
RSA/LDT General
Counsel

Question:
Does
the

Government
Claims Act (Gov't
Code § 821.6) provide law enforce-
ment immunity for investigations?

Answer: No. Officers are not
immune for harm claimed during the
conduct of an investigation.

In *Leon v. County of Riverside*,
a man was shot and killed in the
driveway of a mobile home lot near
his home. When the deputies arrived
on scene to investigate, they heard
additional gunshots. The deputies
dragged the dead body behind a
vehicle and attempted to revive him
but were unsuccessful.

The movement in dragging the man
behind the vehicle caused his pants to
slide down to his ankles exposing his
naked body. The man's body was left
behind the vehicle for approximately
eight hours while the deputies searched
for the shooter and investigated the

shooting. Ultimately, the deputies
concluded that the shooter had killed
himself. As a result, no charges were
filed against anyone in this incident.

The man's wife sued for negligent
infliction of emotional distress for
the deputies' care in handling her
husband's body arguing the deputies
failed to exercise reasonable care when
they left his naked body exposed and
uncovered for eight hours, in an area
where the general public could see.

The lower courts dismissed the
case, finding the deputies and the
County were immune from suit based
on Government Code § 821.6 which
provides immunity for law enforce-
ment for injuries and claims caused
by wrongful prosecution. The case
was then appealed to the California
Supreme Court.

The California Supreme Court was
asked to decide whether Government
Code § 821.6 provides law enforce-
ment immunity from injuries and
claims that stem from police investiga-
tions, not just prosecutions. On June
22, 2023, the Court ruled that the law
does not provide immunity from con-
duct based on investigations. Rather, §

821.6 provides for immunity for inju-
ries caused by the institution (meaning
bringing charges) or prosecution of a
case, not based on an investigation.
In other words, Government Code §
821.6, does not provide any immunity
from lawsuits where an investigation
is conducted, but no charges are ever
filed. An investigation refers to the pro-
cess of gathering information, evidence
and facts related to potential or alleged
criminal activity.

THE BOTTOM-LINE TAKEAWAY:

Lawsuits against officers for their
conduct during an investigation can
proceed (i.e., no immunity). But
immunity from lawsuits still exists if of-
ficers cause harm during the process of
bringing charges or prosecuting a case.

In other words, if an officer conducts
an investigation but never files any
charges, the officer can be sued. How-
ever, if the officer investigates a crime
and charges are filed or the investigation
leads to the prosecution of a crime, the
officer may be granted immunity.

The new and recently dispatched RSA Rollin' Smokehouse is looking for volunteers to help "Serve those who serve" at events to help feed our members and communities.

The Rollin' Smokehouse is dependent on volunteers as it is not staffed with paid employees. Therefore, we are creating a volunteer list for those who want to help before events for prep and during the actual events serving or cooking.

Members, spouses of members, dependents of members over 16 years of age, retirees, and friends of the membership are all welcome to help and volunteer. Culinary experience is always a plus, but not necessary as we will train you to be a culinary apprentice.

This is an excellent opportunity to give back to the membership and community and also gain valuable culinary training.
