RE: AB 933 – SUPPORT

Dear Assemblymember Fong:

The Riverside Sheriffs' Association, which represents over 3,200 rank and file deputy sheriffs, sheriffs, deputy probation officers, law enforcement investigators and counselors, coroners and bailiffs – the entire law enforcement team in Riverside County - supports your bill, AB 933. AB 933 clarifies current law to provide that physicians treating and evaluating injured workers must possess a valid license issued by the California Medical Board. When an out of state physician makes an error, commits malpractice, or otherwise misbehaves, none of California's regulatory oversight boards has jurisdiction to discipline him or her. Passage of AB 933 will improve the utilization review process in California, and thus help protect California's peace officers.

Very truly yours,

Pat McNamara  
President
