Reaching Fair And Reasonable Agreements

Pay Increases & Work Enhancements For Corrections
And Law Enforcement Bargaining Units

By Bill Young
RSA President

I want to take a moment to personally thank each of you for your patience and understanding during our recent negotiations with the County for both the Corrections and Law Enforcement Bargaining Units. These discussions were not without their challenges, but I am confident that we were able to secure the best possible pay increases and improvements to working conditions that the County was willing to provide.

As with all negotiations, neither side got everything they wanted, but after a great deal of hard work, we were able to reach fair and reasonable agreements that reflect the value we place on the dedication and hard work of our members. Both units will see pay increases across the board, along with enhancements to working conditions that we believe will make a real difference in your day-to-day experiences on the job.

Throughout the process, I received suggestions from a handful of members in each unit on ways to strengthen our bargaining position. Please know that these ideas were not ignored, they are truly appreciated. Moving forward, I encourage anyone who is passionate about being a part of this process to consider stepping up and running for your respective chapter director position in the next

I encourage anyone who is passionate about being a part of this process to consider stepping up and running for your respective chapter director position in the next election cycle for your station or facility.

election cycle for your station or facility. RSA is only as strong as those who volunteer and get involved, and your contributions make a direct impact on our ability to achieve the best outcomes for our members.

Once again, thank you for your support and trust throughout this process. Together, we continue to move forward stronger and more united.

HOLIDAY SEASON CHECK IN

As we approach the holiday season, I want to remind everyone to take a moment to check in on your partners and fellow team members. The holidays bring joy, family time, and moments of celebration, but they also tend to highlight challenges that might be harder to see during the rest of the year. For some, this time of year can bring up hidden struggles or amplified stress that can be difficult to cope with.

Please make it a priority to check in with each other, offer support, and

be a listening ear when needed. We are a team, and it's important that we show up for each other, both on the job and off. If you find yourself struggling or needing someone to talk to, please don't hesitate to reach out to me, or anyone from RSA. We are here for you and will always be ready to help however we can.

While we are thankful for what we have, let us also remain vigilant. This is a particularly dangerous time for law enforcement, and we must stay alert, both on duty and off. Be cautious out there, take the necessary steps to protect yourselves and each other.

Take care of yourselves, take care of each other, and ensure that everyone has the support they need during this season.

Stay safe out there and help ensure you and your partners go home safe. ★

*Bill Young, President

Chapter 13, Retirees, Update

By **Lester Harvey**
Chapter 13 Director

Greetings retirees! The recent September retiree CCW / HR-218 range credential course qualifications and October Retiree Member Brunch were memorable events. We look forward to continued retiree member gatherings. There will be a retiree holiday luncheon at the RSA Rancho Mirage office on December 20, 2024. Be sure to check the RSA social media for additional information. Our next Retiree Member CCW / HR-218 credential course will be held at the Ben Clark Training Center on Tuesday, March 5, 2025 from 10:00 A.M. until 2:00 P.M. Additionally, the next Retiree Member Brunch will be hosted at the Riverside Sheriffs' Association on Wednesday, April 16, 2025, at 10:00 A.M.

For those of you who have joined national affiliation with the Fraternal Order of Police (FOP) as "California Lodge 951," do not forget to take advantage of the multitude of amenities that the FOP has to offer its 378,000 national members in more than 2,100 lodges nationwide. Here are a few examples of what the FOP can offer retirees and immediate family members;

- The Concealed Carry Coverage plan offers "unlimited legal defense for civil and criminal claims associated with the legal carrying and / or use of a concealed weapon"

- Aetna Medicare Advantage PPO plan options. Each of its four options provide comprehensive medical, prescription, hearing, and vision benefits
- Exclusive discounts on fees at the 670+ "Brookdale Senior Care Giving" communities through the 41 states. These discounts are available to members and their immediate family members
- Online health, wellness, and fitness classes to help the members stay motivated, and focus on their well-being
- Unlimited access to board-certified primary care physicians and licensed mental health therapists through the "Telemedicine and Teletherapy" Mental and Behavioral Health Benefit program
- Newsletter periodical resources for current public nation-wide safety trends and legal updates
- Preferred Home Loans and Credit Card Benefits

As the country's largest organization of law enforcement officers, the FOP serves as a valuable resource for both active and retired RSA members and their families. Annual membership can be attained through the Riverside Sheriffs' Association. Contact the RSA front office for FOP membership application and dues information. Should you have additional questions about FOP associated benefits and services contact Frank Anderson or myself.

Continue to enjoy retirement after a fulfilling career of service to your community. Best wishes for happiness and health.

Chapter 19, Public Safety Unit, Update

By Charles Roberts

Chapter 19 Director

In November, your bargaining team presented RSA with a survey proposal to determine if the members (PSU) should request and vote on full membership. Hopefully the survey will be sent to the members early next year. The bargaining team is in support of full membership and we encourage members to vote in support of it as well. The survey will include a more comprehensive list of advantages and disadvantages of full membership. Please research the matter and vote your conscience. You can also reach out to a local site rep, bargaining team member, or email / call me to discuss any concerns you might have.

The most obvious advantage is a true partnership with the RSA including voting rights. Right now our position on this board is honorary and we (members) cannot vote for any elected board personnel, bylaws, etc. nor can we serve on the Executive Board of the Association. We also have no access to their benefits trust (insurance). Note, the benefits trust has not had a rate increase in over twelve years, while our costs have gone up nearly every year. Additionally, while the assault on law enforcement has diminished some, there is still a movement to abolish the police and turn probation services over to community based organizations. We and RSA need

to fight that locally, in the state capitol, and nationally. That fight costs money and RSA needs our financial support.

The most obvious disadvantage, really the only con, is the increased cost of membership. Right now we pay about seven percent of the dues so that means full membership will cost about twenty five percent more. Last month I inadvertently said it was half the dues; that was a mistake; the good news is the increase in cost is negligible and should be made up in better benefits. I realize times are hard with lingering inflation, rising insurance costs, increasing costs of goods and services, etc., however, we can't just think short term. That short sightedness is what the county does; we need to plan and prepare for the future.

Under RSA's guidance, we have seen improvements and this is simply the next step in obtaining more. We must unite behind RSA and pay our fair share. In the future, if we are able to enter RSA's benefits trust, many staff will see cost savings, assuming they select reasonable medical coverage, not a Cadillac plan. That savings should more than cover the increase in dues. Some staff may be money ahead.

When the survey is released, please vote to request full membership in RSA. Don't get hung up on the short term cost, instead, look at it as a long term strategy to strengthen the Association and eventually gain more benefits. A no vote can be likened to stepping over dollars to pick up pennies.

I hope you all have/had Happy Holidays.

VOTE COUNTS & PENDING RESULTS

November 5th has finally passed, but the dust has not settled quite yet. While we can somewhat safely predict the final results of the 2024 General Election, with President Trump being elected to the White House by an overwhelming majority, quite a few local contests are too close to call. Overall voter turnout was 68.5% of the 15.3 million voters in California. In Riverside County it was at a 67% of the 1.3 million voters registered.

As I write this, there are several thousand ballots left to count. So far, the results show that RSA-endorsed candidates are leading. Although 10 of the contests are reporting close numbers, 33 of the 49 show strong results in favor of RSA-endorsed candidates. The Secretary of State has until December 13th, 2024, to officially certify the election results.

PROPS & BALLOT MEASURES

Voters chose to support Public Safety in 4 of the 5 ballot measures backed by RSA. Almost 70% of voters supported Prop 36 (Increased Sentencing for Certain Drug and Theft Crimes). It was a strong message for electeds, showing that their constituents are highly in support of funding Public Safety and safer communities.

*Wishing you & your family a
Merry Christmas & Prosperous
New Year!*

POST-ELECTION EFFORTS

In the coming months, RSA PAC will continue the work in building up the Riverside Sheriffs' Association Public Education Fund (RSAPEF), that will allow more flexibility in advocating for members and the communities they serve. We will also work to connect with our newly elected officials and our partners in the community.

As always, please feel welcome to contact me with any questions or concerns. It is a privilege to work alongside the team at RSA to support our members.

Sincerely,

Mary Arrizon

Twin Pines Ranch

The Chow Shack started off the month at Twin Pines Ranch to serve up some BBQ to the RivCo DA Investigators during their annual range day. We got to visit the ranch and get to know the history of the grounds and what all they provide there.

Lake Matthews Station

Member appreciation feed was held at the Lake Matthews station after a brief reschedule during fire season. Thank you for your understanding and accommodation. And for all that you do everyday.

SIB and MCB Feed

We recently had the privilege of serving a special meal to the SIB and MCB teams as a small token of our appreciation for their hard work and dedication. The event featured a delightful breakfast-for-lunch spread, complete with eggs and bacon, and a sweet treat of churros for dessert. We extend our gratitude to these teams for their unwavering commitment to making a difference every day. A special thank you to K9 Chewie for joining us and adding to the spirit of the occasion!

FOR RIVERSIDE SHERIFF'S ASSOCIATION LEGAL DEFENSE TRUST

*By Darin Gray, Trust Chairman. Brett Pendleton, Trust Treasurer.

It's a fair question. When you look at your pay stub and let your eyes pass over the section entitled "After-Tax Deductions", you might notice the line item that indicates that the RSA has deducted a portion of your pay. This is the time of year that we tell you how a portion of that deduction has been used by your Association. If you have received representation by the RSA Legal Defense Trust, you are probably aware of how it (i.e. The Trust) has been of benefit to you. On the other hand, if you are like most RSA Members, you have not been a recipient of the Trust's services. This report is especially for you.

The RSA Legal Defense Trust is here for you. The LDT is considered a "prepaid group legal services plan". We hope you never need its services. If you do, we are a phone call away. We can be reached at 951.653.0130 during normal business hours or at 800.877.7317 any other time.

Honor Flights Bring Veterans To The Memorials That Honor Them

By Oscar Garcia (#1237) & Gabriel Garcia

On November 12th, 2024, Utah Honor Flight Mission #49 took off to D.C.. Among the 75 veterans selected for Mission #49 was former Marine and retired Riverside County Sheriff's Deputy Oscar Garcia.

Garcia, who moved to Utah following his retirement and 27 years of service, was one of 5 Marines selected for Mission #49. In less than 2 days, these veterans visit the memorials built to commemorate their service and sacrifice including Arlington National Cemetery and the National Monuments Mall.

While on the trip, it was common to hear stories from bootcamp to battle. Stories that covered times of war from WWII to Vietnam. On the first night, a welcome banquet was held to recognize each servicemembers military branch and war era. As the United States Marines were recognized, Garcia let out a loud and strong "Oo-Rah!"

Garcia was then recognized as being a Vietnam vet and received a special commemorative pin which his son Gabriel had the honor of pinning on him.

After visiting the monuments built for the Marines, Army, Navy and Air Force, they boarded their flight home where a hero's welcome was waiting. More than 500 people

"Honor Flight was created with a simple, yet powerful, mission – honoring our nation's veterans by bringing them to Washington, D.C. to visit the memorials built in their honor. "

waited at the Provo Airport to welcome the 75 Veterans home.

After walking through several hundred people waving American Flags and signs thanking the veterans, Garcia was welcomed home by his wife Julie, daughter's Megan and Mallory, daughter in law Myranda, and 2 month old grandson, Theo.

Honor Flight was created with a simple, yet powerful, mission – honoring our nation's veterans by bringing them to Washington, D.C. to visit the memorials built in their honor. Transporting approximately 22,500 veterans annually, the Honor Flight Network has expanded to 45 states and served nearly 300,000 veterans.

If you are a Veteran and would like to experience an Honor Flight at no cost to you, please visit www.honorflight.org for more information. ★

Giving Thanks During The Holiday Season

By Matt Hill, Esq.

RSA Chief Counsel, Wellness Unit

The holidays usually mean spending time with family and friends, looking back at the year with an eye towards the future. Whether it is gathering around a meal or putting up holiday decorations, the intention of taking a step back from work is the same.

Despite the holiday season the reality of the need for public safety members service throughout the season remains unchanged. Many will work during the holidays and miss time with family and others will have to move scheduled

gatherings to accommodate their need to work. At the core of this expense is a public safety members commitment to service and it is that same commitment that I am thankful for during this season.

Thank you. The commitment to service is a benefit to your community and the individuals and businesses that comprise it. As a part of that community, my family and I are thankful for what you do during this season to keep us safe. It is this exact reason I am committed to advocating for your rights and protecting your benefits in 2025 and beyond.

Again, THANK YOU.

Securing Firearms In Vehicles & Homes

By Richard Pinckard

The Law Offices Of Scott A. O'Mara

It is common for the law enforcement community to band together in support of new laws which get tough on criminals. Far less frequent, however, are new criminal laws which specifically target members of the law enforcement community. Such is the case with the recent addition of Sections 25140, 25452 and 25612 to the California Penal Code.

Penal Code § 25452 states:

A peace officer and an honorably retired peace officer shall, when leaving a Handgun in an unattended vehicle, secure the handgun in the vehicle pursuant to Section 25140.

As a result of this law, any peace officers (on or off duty) and any retired officers who may ever have a reason to leave a handgun in their unattended vehicle should obtain a locking storage container which can be attached or secured to part of the vehicle. The only exception for on-duty law enforcement officers would be circumstances requiring immediate aid or action within the course of their duties. Placing a handgun in the back of a duty SUV without first placing the gun in a locked container would violate this law, even for an on-duty officer. However, locking a duty handgun in the trunk (without being in a locked container) would constitute compliance with the law for on-duty officers who drive sedans, as well as off-duty and retired officers.

At the present time, violation of this law is considered an infraction, punishable with a fine of up to \$1,000.00. In the worst-case scenario, an officer could learn that his/her stolen firearm had been used to take an innocent victim's life - a tragic loss which could easily have been prevented.

In addition to the law regarding the safe storage of firearms *in vehicles*, officers should understand that the unsafe storage of a firearm in their private residence can also expose them to criminal prosecution under the provisions of Penal Code section 25100. The focus of this penal Code provision

is keeping firearms out of the hands of children. Violations of this section are separated into three degrees. The most serious (first degree) is a felony, punishable by imprisonment for up to three years, and a \$10,000 fine. The least serious (third degree) is a misdemeanor, punishable by up to twelve months in county jail and a \$1,000 fine. The mid-range (second degree) is a wobbler and punishable as either a misdemeanor or a felony. The degree of the offense will be determined by the actual harm flowing from your unsafe storage of the firearm.

Putting your gun on top of the refrigerator or in the cupboard behind the marshmallows, or in the nightstand drawer is no longer acceptable if you have kids or grandkids, or any of their friends in your home. You will be in violation of Penal Code section 25100 if you keep a firearm within any premises under your control, and you know or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian (including yourself if it is your child), or that a person prohibited from possessing a firearm or deadly weapon pursuant to state or federal law is likely to gain access to the firearm. If the child accesses your firearm and causes death or serious injury to themselves or another, you can be prosecuted for the felony.

If the child accesses your firearm and causes minor injury, or simply carries it to a public place, or commits a 417 with the firearm, the wobbler penalties apply. Even if the child *never* accesses the firearm, but *could have*, the misdemeanor penalties apply. There is no distinction between handguns and long guns; and, there is no exemption for peace officers.

Keep in mind, even if a city or county prosecutor declines to file a criminal complaint against you for a violation of Penal Code section 25100, your agency can (and likely will) initiate an administrative investigation and administrative discipline for failing to conform to the laws of the State of California.

Gun safes can be expensive; however, spending less than 100 dollars for a DOJ approved lockbox, and/or trigger lock, and/or cable may be a very wise investment, and a small price to pay to avert a potential catastrophe. ★

As a result of this law, any peace officers (on or off duty) and any retired officers who may ever have a reason to leave a handgun in their unattended vehicle should obtain a locking storage container which can be attached or secured to part of the vehicle.
